

Kratovil for Congress Internship

About the internship: The Kratovil for Congress internship program provides an excellent opportunity for students to learn and serve through first-hand participation in the election process. Democrat Frank Kratovil is running in the First District of Maryland. Interns must devote their time, energy, and skills to help build a better America and elect a leader who will bring Americans together. Interns will work from the Kent Island office on the Eastern Shore, but must be willing to be placed elsewhere. Interns can expect to play a large part in the following aspects of a campaign: field organizing, communications, political, advance, press or constituency outreach. Although we expect a great deal from our interns, the selected candidates will make a genuine contribution to helping elect Frank Kratovil to Congress. All internships are unpaid. Local housing is the responsibility of the applicant. Interested applicants should email the required paperwork to zfang@kratovil.com or mail it to Kratovil for Congress, P. O. Box 518, Stevensville, MD 21666 or fax it to 443.249.0601.

Please check with your school to determine whether class credits may be earned.
