

HARFORD DEMS ENDORSE KRATOVIL

On January 2nd the New Harford Democratic Club endorsed Frank Kratovil for Congress at their meeting in Aberdeen. The Harford Club, with 730 members, is one of the largest Democratic Clubs in Maryland. It also is very influential, as illustrated by its involvement in election activities at all levels and by helping to raise Democratic gubernatorial voting in Harford by 40% in the 2006 election.

Club President John Haggerty stated: "We have two solid candidates for the First District race, Frank Kratovil and Chris Robinson. Frank was strongly endorsed by our club members. He presents himself well and we are enthused by his exceptional background and service. Another factor is that he has earned the endorsements of political leaders from throughout the State. Harford County has citizens from sections of Maryland Districts 1, 2 and 6. The Democratic Club therefore has a strong presence in all three Congressional races. 2008 represents a great opportunity to return the First District to the Democratic side."
